## COVER DRAWING

### *Michigan State Capitol:*

This image, with flags flying to indicate that both chambers of the legislature are in session, may have originated as an etching based on a drawing or a photograph. The artist is unknown. The drawing predates the placement of the statue of Austin T. Blair on the capitol grounds in 1898.

## PAGE GRAPHICS

### *Capitol Dome:*

The architectural rendering of the Michigan State Capitol's dome is the work of Elijah E. Myers, the building's renowned architect. Myers inked the rendering on linen in late 1871 or early 1872. Myers' fine draftsmanship, the hallmark of his work, is clearly evident.

Because of their size, few architectural renderings of the 19<sup>th</sup> century have survived. Michigan is fortunate that many of Myers' designs for the Capitol were found in the building's attic in the 1950's. As part of the state's 1987 sesquicentennial celebration, they were conserved and deposited in the Michigan State Archives.

### *East Elevation of the Michigan State Capitol:*

When Myers' drawings were discovered in the 1950's, this view of the Capitol – the one most familiar to Michigan citizens – was missing. During the building's recent restoration (1989-1992), this drawing was commissioned to recreate the architect's original rendering of the east (front) elevation.

### **RELATIONSHIP TO THE MICHIGAN ADMINISTRATIVE CODE**

The *Michigan Administrative Code* (1979 edition), which contains all permanent administrative rules in effect as of December 1979, was, during the period 1980-83, updated each calendar quarter with the publication of a paperback supplement. An annual supplement contained those permanent rules, which had appeared in the 4 quarterly supplements covering that year.

Quarterly supplements to the Code were discontinued in January 1984, and replaced by the monthly publication of permanent rules and emergency rules in the *Michigan Register*. Annual supplements have included the full text of those permanent rules that appear in the twelve monthly issues of the *Register* during a given calendar year. Emergency rules published in an issue of the *Register* are noted in the annual supplement to the Code.

**SOAHR 2007-001  
NOTICE OF PUBLIC HEARING  
LEAD HAZARD CONTROL**

The Department of Community Health will hold a public hearing on Friday, July 13, 2007, at 9:00 a.m. at the Department of Community Health, 201 Townsend, 1<sup>st</sup> Floor, Conference Center Rooms B & C, Lansing, Michigan.

The public hearing is being held to receive comments from interested persons on proposed changes to the lead hazard rules. The proposed changes will correct inconsistencies between the state requirements for Pre-Renovation Education and the US EPA requirements of the same. These inconsistencies prevent the state lead program from receiving federal authorization to enforce this law and to obtain related federal funding. Other proposed changes include clarifications to established requirements, reinstating a conflict of interest requirement, and authority for the section to deny certification renewal to persons with outstanding final settlement obligations.

These rules are being promulgated under the authority conferred on the department of community health by sections 2226, 5461 to 5464, 5466, 5468 to 5470, 5473a, and 5475 to 5477 of 1978 PA 368, and Executive Reorganization Order No. 1996-1, being MCL 333.2226, 333.5461 to 333.5464, 333.5466, 333.5468 to 333.5470, 333.5473a, 333.5475 to 333.5477, and 330.3101. These rules are proposed to take effect immediately upon filing with the Secretary of State.

Hearing comments may be presented in person, with written comments available at the time of presentation. Written comments also will be accepted at the following address or E-mail address until close of business July 13, 2007. Address communications to:
